COMPANY PROFILE

“Nine years of growing to become the back-bone of development for rural communities entrusted by local municipalities, SMEs, co-operatives, non-profi companies and NPOs.”

#MakinImpact

Sonyce Media is a vibrant client-oriented multi-divisional company created as a response to the qualification to market gaps and administrative challenges in South Africa, especially in the rural areas. Our solutions...

For individuals -
Competence, skills and professional development.

For enterprise -
Compliance and business efficacy.

VISION

An enterprise that enriches people and businesses with knowledge and skills, the application of management systems and the use of technologies, providing relevance and distinction.

MISSION

Transform rural South Africa by developing solutions that fit particularly developing markets to ensure the following:

- Accessibility
- Relevance
- Innovation

WHAT WE DO – TRAINING SOLUTIONS

Client-site/field-based education and training. We take pride in setting a stage for information exchange, making knowledge and skills available and open a world of opportunities. We also work in association with other

institutions to impart our mission with workshops, camps, conferences, seminars, business meetings, and onsite sessions.

WHAT WE DO – BUSINESS SOLUTIONS

Strategic business solutions directed at equipping organizations to meet key priorities such as safety

compliance and personnel & community development. Our solutions assist organizations to optimize program/project delivery so that they reach these key priorities and improve organizational performance.
